# ORGANIZATION

#### Student Body President

To my classmates at East Mississippi Junior College, I would like to wish you success in your future endeavors.

The challenges of college students today are great. Opportunity for personal achievement and a successful career are available to those who are willing to work for them. Along with success comes tremendous responsibilities. Pressure to get an education is great. Set your goals high and strive hard to reach them. Above all else, set standards that will develop your character. Remember to put God first in your life, and you will find happiness.

Best wishes to each of you.

Charlotte Hudson
